RE: Reminder of vendor/exhibitor opportunities for PPMA Annual Conference

The Pennsylvania Pest Management Association's 2018 Annual Fall Conference is quickly approaching on December 3-4 at the Eden Resort in Lancaster. Once again, a full slate of highly-regarded speakers are prepared to present an outstanding program for the membership of PPMA.

Attached is a registration form for manufacturers and suppliers exhibiting at the conference. Each year, more vendors participate. We greatly appreciate your support! Don't miss this opportunity to demonstrate and introduce your company's products to the PMPs in attendance and to network with fellow vendors! If you are an Associate Member of the PPMA, you will receive a reduced vendor registration fee of \$475. Vendor registration for non-associate members is \$600. Vendors will be able to set up their displays on Sunday, December 2nd from 7 PM until 10 PM, or Monday, December 3rd at 6:30 am.

We continue to seek sponsorships to help offset the costs of the event. Sponsors will be provided time to address the entire crowd and will be recognized in the conference booklet. Sponsor a break for \$300 or an ad in the printed program at \$100. Breakfast and lunch sponsorships are also available for \$500. Contact Caleb at the PPMA office at (800) 842-9090 or cwright@versantstrategies.net for more information.

Thank you for your continued support of the Pennsylvania Pest Management Association. If you have any questions, please contact the PPMA office at 1-800-842-9090 or ppma@versantstrategies.net.
